ABOUT US

Sire India Infra Tech is a one-stop destination for premium building materials, bringing together the most trusted brands under one roof. We aim to simplify construction by providing a seamless sourcing experience for architects, builders, contractors, and homeowners. With a commitment to quality, reliability, and timely delivery, we are redefining the way building materials are accessed in India.

OUR MISSION:

To empower construction and infrastructure development by offering a comprehensive range of top-quality building materials at competitive prices, backed by dependable service and expert support.

WHAT WE OFFER:

We stock and distribute a wide variety of materials including: Cement & Concrete Products - Steel & Reinforcements - Bricks, Blocks & Aggregates - Tiles & Flooring Solutions - Paints & Coatings - Plumbing & Sanitary Ware - Electrical Fixtures & Wiring - Hardware & Fasteners - Waterproofing & Insulation - Wood & Plywood - Modular Kitchen Components - Doors, Windows & Fittings

OUR VISION:

To become the most trusted and preferred partner in the building materials industry, known for integrity, innovation, and excellence.

OUR STRENGTHS:

1. Partnerships with 40+ national and international brands
2. A robust dealer distribution network
3. Dedicated technical and customer support teams
4. Emphasis on timely delivery and transparent pricing
5. Flexible order quantities to serve projects of all sizes
